

§ 54.1005

relate to equipment or utensils used to process livestock and poultry products.

§ 54.1005 Basis of service.

(a) Certification of Sanitary Design and Fabrication of Equipment Used in the Slaughter, Processing, and Packaging of Livestock and Poultry Products service shall be performed in accordance with the provisions of this subpart, the instructions and guidelines issued or approved by the Chief and the applicable standards developed by the NSF/3-A.

(b) Copies of standards developed by NSF/3-A that AMS will inspect and certify to are available, for a nominal fee, from NSF International at www.nsf.org or contact Techstreet, 310 Miller Avenue, Ann Arbor, MI 48103; Phone (800) 699-9277. Copies of all other instructions and guidelines can be obtained from, and copies of standards developed by NSF/3-A may be inspected at, the U.S. Department of Agriculture, Agricultural Marketing Service, Dairy Programs, Dairy Grading Branch; Room 2746-S; 1400 Independence Ave., SW., Washington, DC 20250-6456.

(c) All services provided in accordance with the regulations shall be rendered without discrimination on the basis of race, color, national origin, gender, religion, age, disability, political beliefs, sexual orientation, or marital or family status.

§ 54.1006 Kind of service.

Certification of Sanitary Design and Fabrication of Equipment Used in the Slaughter, Processing, and Packaging of Livestock and Poultry Products service under the regulations shall consist of the evaluation, certification and/or identification, upon request by the applicant, of the adherence of the design and fabrication of equipment and utensils to sanitary principles and criteria under applicable standards identified in this subpart. Equipment or utensils having an identical design, materials of construction, and fabrication, except for scaling up or down in size, may be submitted for evaluation as a model line or series. Determination as to equipment or utensils compliance with standards for materials of fabrication or method of fabrication

7 CFR Ch. I (1-1-16 Edition)

may be based upon information received from the fabricator.

§ 54.1007 Availability of service.

Service under these regulations may be made available to the designers, fabricators, users, or other interested person or party, of the equipment or utensils. Subject to the provisions of this subpart, services shall be performed only when a qualified design review specialist is available, and when the location of the equipment or utensils, evaluation facilities and conditions, as determined by the Chief, are suitable for conducting such service.

§ 54.1008 How to obtain service.

(a) *Application.* Any person may apply to the Chief for service under the regulations with respect to equipment or utensils in which the applicant is financially interested. The application shall be made on a form approved by the Chief. In any case in which the service is intended to be furnished at an establishment not operated by the applicant, the applicant shall be responsible for obtaining approval for accessibility of the equipment or utensil from the operator of such establishment and such approval shall constitute an authorization for any employees of the Department to enter the establishment for the purpose of performing their functions under the regulations. The application shall state:

- (1) The name and address of the establishment at which service is desired;
- (2) The name and post office address of the applicant;
- (3) Identification of the party that will be responsible for payment of all services rendered in response to the request;
- (4) The type of equipment or utensil presented for evaluation;
- (5) The date(s) on which service is requested to be performed; and
- (6) The signature of the applicant (or the signature and title of the applicant's representative) and date of the request.

(b) *Notice of eligibility for service.* The applicant for service will be notified whether the applicant's application is approved.
